To whom it may concern,

Matt Price has been employed by Domino's Pizza Birkdale since the start of 2016. During that time period, Matt Price's main role has been a delivery expert. Matt has always worked above expectations as a part of our team at Birkdale and has always been one of the most pleasant individuals I've had under my employ.

Matt has demonstrated enthusiasm in carrying out all tasks assigned to him in supporting role shifts such 'pre-close' and 'closing' where he displayed time-management skills and work ethic, always wanting to improve on every duty completed.

His communication skills have allowed him to develop good working relationships with both his colleagues and management. Often going out of his way to ensure staff are aware of the correct procedures. Matt always ensures that each customer is fully satisfied this is one of Matt's most consistent attributes along with understanding the value of the customer to the business.

Lastly, Matt's most valuable skill that he brings to each and every day is his positive attitude and he is a pleasure to work with each and every shift. He works every shift with a smile on his face always spreading a positive culture through-out the workplace, he will be dearly missed by the management team.

Best regards,
Dale Warrener
